

Lab W06 — Harness Fault Isolation Form

Student: __ **Partner:** __ **Date:** __
Cart ID: _ **Diagram ID (make/model/year):** _____

Confirm diagram match

- [] Make/model/year verified against cart tag
- [] Power path traced on paper before probing

Symptom

Circuit under test

Name/ID: __ **Fuse #:** _ **Wire colors:** _____

Isolation log

Time	Action / measurement point	Result	Conclusion

Fault classification

☐ Open ☐ Short to ground ☐ Short to power ☐ High resistance ☐ Wrong connection ☐ Other:

Exact location: _____

Root cause: _____

Repair performed: _____

Verification: _____

Connector repair practice (QC)

Crimp QC: ☐ Pass ☐ Redo

Heat shrink / seal: ☐ Pass ☐ Redo

Dielectric grease applied after clean metal contact: ☐ Yes

Instructor initials: _
