

Neighborhood Golf Carts

71363 Thelma Ln, Suite E · Covington, LA 70433
985-402-1206 · contact@ngcgolfcarts.com · NGCGolfCarts.com
Shop hours: Monday–Friday, 8:00 AM – 5:00 PM

Turn in this completed form when a cart is finished and ready to move to **READY**. Adapted from the NGC service-call procedure for in-shop work. All photos must be uploaded to Housecall Pro before turning in this form. Use invoice # only on the whiteboard — no customer names on posted copies.

JOB INFORMATION

HCP INVOICE / JOB #	DATE COMPLETED	TIME COMPLETED
TECHNICIAN	BAY / LOCATION	SERVICE TYPE
CART MAKE / MODEL / YEAR	SERIAL # OR VIN	POWER TYPE

PRE-WORK SHOP PROCEDURE (BEFORE WRENCHING)

✓	Step	Notes / Initial
■	Reviewed HCP job — complaint, authorized work, and parts list verified	
■	Verified correct cart (invoice #, keys, and physical cart match)	
■	PPE in use (safety glasses, gloves; lithium protocols if applicable)	
■	Tow / run switch in TOW or OFF before electrical work; cart secured	
■	Battery disconnect / lockout performed when required	
■	Work area clean; tools and lift/chocks set up safely	

REQUIRED BEFORE-WORK PHOTOS (7) — UPLOADED TO HCP

Take all seven photos before starting repair work. Check each box when uploaded to the HCP job.

■ 1 Front of cart (full view)	■ 2 Rear of cart (full view)
■ 3 Driver side (full profile)	■ 4 Passenger side (full profile)
■ 5 Battery compartment / pack area	■ 6 Dash / key switch / charge port
■ 7 Serial # / VIN tag or data plate	

7-POINT SAFETY INSPECTION (FREE WITH EVERY SERVICE)

#	✓	Inspection point	Pass / note / N/A
1	■	Wires, cables, and terminals	
2	■	Battery water levels (lead-acid) or lithium pack condition	
3	■	Lights and horn (if applicable)	
4	■	Tires — inflation, tread depth, uneven wear	
5	■	Steering and suspension	
6	■	Drivetrain (axle & motor)	
7	■	Brakes — operation and adjustment

HCP INVOICE / JOB # (PAGE 2)

INSPECTION FINDINGS — NOTABLE CONDITIONS (PHOTOS UPLOADED TO HCP)

Photograph damage, wear, leaks, corrosion, loose hardware, fault codes, or symptoms found during inspection.

✓	Condition / finding	Photo?
■		Y / N

✓	Condition / finding	Photo?
■	_____	Y / N
■	_____	Y / N

■ No notable conditions beyond normal wear — N/A

WORK PERFORMED — PHOTO DOCUMENTATION (UPLOADED TO HCP)

✓	Work area / repair performed	Before & after?
■	_____	Y / N
■	_____	Y / N
■	_____	Y / N

ELECTRIC DIAGNOSTIC CLOSE-OUT (IF APPLICABLE)

- Fault codes reviewed and cleared (photo or .CPF saved to HCP)
- Post-repair monitor / log file saved if required
- Charger tested / verified compatible
- Lithium care guide staged for customer (lithium jobs)
- N/A — non-electrical job

FINAL QUALITY CHECK — WORK COMPLETENESS

Physically re-walk the cart. Check every item that applies.

✓	Quality standard
■	Completeness — all authorized work finished; no open tasks or missing parts
■	Neatness — wiring routed and secured; panels aligned; no stray hardware
■	Cleanliness — work area wiped down; grease and debris removed from cart
■	Tightness — fasteners, lug nuts, terminals, and clamps torqued / snugged correctly
■	Safety — seat belts, body panels, battery hold-downs, and covers reinstalled
■	Fluids / levels — battery water, gear oil, or other fluids checked as applicable
■	Accessories — lights, horn, mirrors, and add-ons function correctly
■	Tools & parts — no tools, rags, or old parts left on or in the cart
■	HCP updated — notes, parts used, labor, and photos complete on the job

TEST DRIVE & DELIVERY READINESS

Test drive date / time: _____ Distance / duration: _____

- Forward / reverse operation verified
- Brakes stop cart smoothly — no pull or noise
- Steering tracks straight; no new vibrations or noises
- Speed / acceleration normal; no fault codes after drive
- Customer complaint verified resolved (or documented if not)
- Cart charged / SOC appropriate for pickup or delivery

Test drive notes: _____

■ **I certify** that I completed all required steps, uploaded all required photos to Housecall Pro, performed the 7-point safety inspection, test drove this cart, and verified it is complete, neat, clean, tight, and in proper condition for customer pickup or delivery. I am turning this form in to move this cart to **READY**.
