

Lab W08 — Mechanical Inspection & Road Test

Student: __ **Observer:** __ **Date:** __
Cart ID: __

Lift / support confirmation

- ☐ Chocks used
- ☐ Jack stands on OEM-appropriate points
- ☐ Instructor OK before going under

Brakes

Item	Spec / Limit	Measured	Pass/Fail
Lining/pad-shoe thickness			
Rotor/drum condition			
Cable/hydraulic leaks			
Parking brake hold			
Pedal/lever feel			

Steering & suspension

Item	Observed	Pass/Fail
Tire pressure LF/RF/LR/RR		
Tire wear pattern		
Tie rod / steering play		
Kingpin/bushing play		
Springs/shocks/bushings		

Drivetrain

Transaxle oil level/condition: _____

Leaks: ☐ None ☐ Seepage ☐ Active — location: ____

Noise concerns: _____

Road test notes

Route: __ Speed range: __

Observation	Notes
Straight-line tracking	
Braking (pull/noise)	
Acceleration noises	
Steering response	
Vibration	
Other	

Overall mechanical recommendation:

Instructor initials: _
